RE-Juvinating and RE-Inspiring RE Conference 2021

1. Did you know more the second time?
2. Questions for breakout room:
3. Do you agree with the idea that movement helps children to learn?
4. Do you do any learning (not PE!) involving movement already especially in a big space like the hall or playground.
5. What other key RE ideas could you embed using movement?

Think of some key concepts in RE that you would like your children to remember. Design a movement game to embed these. It could involve matching, deciding whether behaviours/actions are helpful or unhelpful, or ordering a simple Bible verse.
