

*1. What is the 'Personality and Character' of your local church?*

A very small village church with a strong family connection.

*2. What are the priorities of your local church?*

To remain solvent and functioning in order to hold one service per month and to support the local village community.

*3 Is there one thing you would like to take on or develop in the coming year (recognising that may mean you may need to stop doing something else)?*

To develop a plan for medium/longterm restoration without using up financial reserves.

*4. Are there ways in which we can work together with neighbouring churches to achieve more?*

Yes, we recognise that we must work closely with and support the rest of the benefice and Team Dorchester, in any way we can.

*5. How can we best measure the quality and impact of church life?*

Parish questionnaire...but this has to be very carefully worded.
