**A PRAYER ON THE ANNIVERSARY OF THE FIRST MOON LANDING**

O God,  
who made the universe and all that is in it,  
we thank you for the skills and talents  
that enable us to explore the mysteries of creation.  
Give us the will to cherish all that you have made,  
and to use the riches of our own world  
for the good of all,  
through Jesus Christ our Lord.  
Amen.
