

## **Cancellations**

Given the current situation with the coronavirus,

**Safeguarding training is suspended;**

**CMD is suspended;**

**as are all other Sarum College events, until June.**

### **DBE courses postponed**

The DBE has made the decision to postpone all courses this term, and has let all those who are booked on to them know.

"We have done this because, in the context of the current coronavirus outbreak, we recognise that schools and their leaders are under significant pressure and stretch, for example in relation to the impact of staff absence and additional demands on time. We believe that it is right that we live out our Christian values, and are doing all we can to reduce this pressure.

"As you may know, schools have been informed that there will be no SIAMS inspections or Ofsted inspections.

"We will review government and Church of England Education Office advice and make a decision about courses planned for the summer term over the next few days and will be in touch with schools in due course."

**The THRIVE meeting at Blandford**, due to take place on Friday 27 – Saturday 28 March.

Given the unprecedented current climate, we feel it would be in the best interests of all taking part if this was cancelled.

The next meeting will therefore be on Friday 9- Saturday 10 October 2020. This does mean that the course will need to push into 2021, but we will give you the dates later. Would you mind ensuring that all those taking part have been informed of this cancellation? Especially those without internet access.

**The Day of Renewal and Celebration for Spiritual Accompaniers** due to take place on Saturday 21st March at the Baptist Centre Amesbury has sadly been cancelled. The main reason for the cancellation is the percentage of attendees who are over 70.
