

**The Clewer Initiative is running two County Lines Awareness Raising Sessions taking place on Wednesday 10<sup>th</sup> February and Saturday 27<sup>th</sup> February.**

County Lines is one of the most prevalent forms of modern slavery in our country. It affects the lives of young people and the vulnerable across the UK. This 2-hour course will raise awareness of county lines, focusing on the key facts, how it affects young people and how we might respond within our communities.

The course will take place via Zoom and include a range of teaching, group discussion and the use of online resources.

It is aimed at those who want to find out more about county lines and how we can help our children and young people to stay safe.
