

## **Grant deadline approaching**

There is not long to go before the 17th April 2020 deadline for churches and chapels to apply for a Wiltshire Historic Churches Trust grant. You may wish to remind your churches and chapels of the opportunity to gain financial support from WHCT for their fabric repair and community facilities projects.

Details of the WHCT grant scheme, eligible projects and the application form are on [this WHCT website grants page](#).

The website pages provide comprehensive advice. Any questions can be addressed to the Secretary by email only (to ensure a response over the holiday period) - [sec.whct@gmail.com](mailto:sec.whct@gmail.com).
