

Money Makes Change

Money Makes Change is a new programme from The Ecumenical Council for Corporate Responsibility (ECCR) that helps Christians explore and make ethical choices around money and raise their voices to create a fairer, more sustainable world.

Resources (including an interactive workshop for small groups and an analysis of ethical bank accounts for churches) can be found at www.eccr.org.uk/learning-materials.

For further information, please contact info@eccr.org.uk or follow [@ECCR1](https://twitter.com/ECCR1) on Twitter.
