

Keeping us Safe

New Safeguarding Courses

Safeguarding Admin Support Adrian Smale writes to all Clergy, PTOs, LLMs and LPA's whose training needs refreshing by 31st January 2021:

Dear all,

There are now some more virtual training courses together with some face-to-face courses for those that are unable to do the Zoom Virtual courses.

.....

STOP PRESS: We have a further 3 Face-to-Face courses available to book at Wesley Hall Methodist Church Wimborne 20th April and 11th May and at Salisbury in the Great Hall on Tuesday 27th April. Space is limited to 6 per course so if you are unable to do Zoom courses and need face-to-face courses this is for you.

.....

There will be more courses soon as we are taking on an additional trainer, and venues for some of the face-to-face training are still to be confirmed, but please book a suitable course as soon as you are able.

Also please ensure that you do not book a face-to-face course unless it really is not possible to do the virtual ones, so that these very few spaces on each course (6) can be used for those that really need them.

If you are not able to book online for the face-to-face courses, please [email me](#) and I can do this on your behalf. Equally important, if you are NOT able to attend a course you have booked, please cancel or send your apologies using the **My courses** area when you log in, so that the space can be used by someone else.

Many thanks!
Adrian
