## Updates:

### **-Paper forms: postal service appears to be recovering.**

Experienced huge disruption to this receiving post only every 6-7 working days. That appears to be improving.

### **-New Telephone Service: 0333 002 1271**

Open for new business: Support for parishes not registered, implementation guide will be circulated by the end of next week (8th May).

### **-Online service:**

Development has recommenced, after we received necessary and significant investment.
