### Thank You Day

*Our churches are being invited to join in and lead the way on the first national Thank You Day.*

Thank You Day is taking place on Sunday 4th July, to mark the end of this phase of the pandemic crisis, to say thank you to everyone who helped us through, and to look forward, reminded of what matters and how we want to stay connected to each other in the future.

The invitation to take part has been backed by several household names including the Archbishop of Canterbury, and is organised by Together.

Together is a coalition of some of the UK's best-known organisations, including the Church of England, with the aim of bringing people together and bridging divides, to help build a kinder, closer, and more connected society.

Together offers a whole range of resources: there are copies [here](#).
