

# From your Comms Team

## We want your videos

The past months have seen how we 'do church' change dramatically and, as we finally start to unlock our buildings for worship and occasional offices, we want to record the Diocese as it is in the Summer of 2020.

We want to make a video that encompasses ministry and mission across the Diocese. A video that introduces us to each other's communities and tells our story of Renewing Hope Pray Serve Grow.

With coronavirus restrictions and guidelines still in place, and to keep our carbon footprint as low as possible, we invite you to become our eyes and ears, our videographers.

Send us your footage, shot on phones, shot on video camcorders - tell your story, show us your buildings, your worship, your communities. Rural and urban, we want to see it all.

Remember to shoot in landscape and make sure you are recording sound.

So please add your story into our Diocesan story.

The technical bits:

- Please send your video by [WeTransfer](#) to [comms@salisbury.anglican.org](mailto:comms@salisbury.anglican.org)
- Remember to shoot in landscape and make sure you are recording sound.
- Try and keep your recording to no more than 4 minutes.

Thank you!
