Wiltshire Covid-19 Youth Survey

We want to help ensure young people are heard and supported. The survey is supported by Wiltshire Council, Wiltshire Community Foundation, Wiltshire Police, Wiltshire Youth for Christ and other local youth organisations.

YFC Youthworker Steve Dewar says:

"I am keen that local young people, especially those within more rural areas of Wiltshire, have an opportunity to reflect and express their views during this time. The survey can be done anonymously and aimed towards those of secondary school age.

"It may also spark discussion within some families and enable more conversations on what support is available within schools and communities.

"We would like any completions within the next few weeks/ by the end of September so that we can build a report to feed back to local authority/ communities and churches etc and help raise current issues or enable up to prepare for future ones."
