## Re:Charge

In the Bible, Christians are 'charged' to make God's Good News about Jesus known to children and young people. *Re:Charge* is a training event designed to equip and inspire God's people to do just that. Regardless of how much experience you may have in working with children and young people, there is something for you at *Re:Charge*.

The cost of the day is £12 (£10.50 if you book before 1st February 2014) and many churches are happy to cover fees from their training budget. Refreshments will be provided but please bring your own packed lunch. Revelation Christian Resource Centre will be providing a bookstall where you can browse and buy resources including many of Scripture Union's latest publications.
