Making and growing disciples in the COUNTRYSIDE

- Have you planted or are seeking to plant a fresh expression in a rural area?
- Do you long to see new people becoming disciples of Jesus in the countryside?
- Do you want to keep growing in faith and love yourself?
- Do you want to learn and pray with other rural pioneers?

This is not just a conference but a gathering for learning from each other, storytelling and prayer. Our learning will be facilitated by Sally Gaze (author of *Mission-shaped and Rural* and Tas Valley Cell Church leader) and hosted by Pete and Kath Atkins (leaders of Threshold in rural Lincolnshire and members of the Fresh Expressions team).

If you would like to receive an invitation, please contact Kath Atkins (kath.atkins@freshexpressions.org.uk) with brief details of the fresh expression of church which you are involved with or hoping to start.

4th-5th June 2013, lunch to lunch inclusive, King's
Park Conference Centre, Northampton, NN3 6LL
